Sir:

Pursuant to 37 CFR 1.48(b), please amend the inventorship of the above-identified patent application by deleting the names of Walter J. Petersen and Michael J. Certificate of Transmission under 37 C.F.R. 1.8. I hereby certify that this correspondence is being facsimile transmitted to the United States Patent and Trademark Office on

James W. Miller

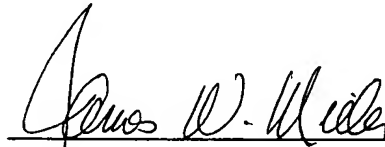

However, in view of his deletion as an inventor as a result of filing this document, the correction of the Updated Official Filing Receipt to add his name to the Official Filing Receipt is now believed to be moot.

When issuing a further corrected Official Filing Receipt for the above-identified patent application, it is requested that Mr. Pomerening's name be listed first. Accordingly, please issue a corrected Official Filing Receipt in the form shown below:

Gerald J. Pomerening, Farmington, MN;
Jackie R. Gust, Northfield, MN;

Please charge any fees that may be required on account of the filing of this document, or credit any overpayment, to Deposit Account No. 20-1315. A duplicate copy of this sheet is enclosed.

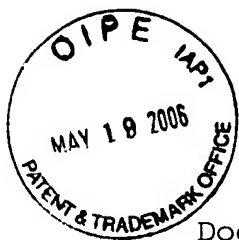

Respectfully submitted,
